## Yesees and Noees

By Shel Silverstein  
2011

*Sheldon Allan "Shel" Silverstein (1930-1999) was an American poet, cartoonist, screenwriter, and author of children's books. His books have sold over 20 million copies. In this poem, a speaker describes three different types of people: the "Yesees", the "Noees", and the "Thinkforyourseelfees". As you read, take notes on how the speaker describes each type of person.*

- [1] The Yesees said yes to anything  
That anyone suggested.  
The Noees said no to everything  
Unless it was proven and tested.
- [5] So the Yesees all died of much too much  
And the Noees all died of fright,  
But somehow I think the Thinkforyourseelfees  
All came out all right.
